

UTECUBES SELF BUNDED DIESEL TANKS

Looking for a reliable, compliant diesel fuel storage solution?

A-FLO's UTECUBES are compact, self-bunded diesel tanks engineered for maximum fuel efficiency, on-site safety, and environmental compliance. Available in 200L, 400L and 600L sizes, these portable diesel tanks come equipped with either a standard 12V pump, hose and auto nozzle or a 12V high flow pump, hose and auto nozzle making them ideal for industrial fuel transfer and worksite refuelling across Australia. Whether you need a portable diesel tank for your truck, jobsite, or heavy equipment, UTECUBES reduce the risk of fuel leakage, boost operational efficiency, and meet all Australian environmental regulations. Buy online today or contact A-FLO to learn more about our best-in-class diesel tanks for sale.
