

XDX 20 SERIES OIL NPT REELS

Graco's heavy-duty XDX hose reel features a heavy-gauge, robust, dual-pedestal metal frame; steel spool; sealed components and innovative swivel design for high-quality performance in the most demanding applications.

Ideal for rugged indoor and outdoor use in heavy-duty truck dealerships, fleet maintenance, mining maintenance, public works garages, construction vehicle maintenance, agriculture and service trucks.

FEATURES & BENEFITS:

- Spring Adjustment - Increase or decrease spring tension while reel is pressurized with fluid
- Full-Flow Swivel - Maximize material flow with minimal pressure drop for faster fills to get more vehicles through your shop
- Optional Adjustable Arm - Easily change the arm position for your application, order with arm (XD models) or without (XN models)
- Durable Finish - Baked-on enamel finish protects reel from corrosion
- Large Hose Capacity with Small Profile - Compact pedestal and spool fits into tight spaces and can accommodate 35-65 foot (107-198 meters) hose capacity for a wide variety of applications
