

1" HONDA GX25 DIESEL TRANSFER PUMP

The 1 Honda GX25 Diesel Transfer Pump is a petrol-powered 1.1HP 4 Stroke Diesel Transfer Pump. These pumps are designed to allow high flow rates of up to 130L/Min and are perfect for bulk oil transfer.

The Honda GX25 Diesel Transfer Pump boasts a mounting bracket and a sturdy carry handle for easy portability.

A full 360 any-side-up operation means you can use and store the GX25 in any position, and take advantage of the exclusive rotary-slinger lubrication system.

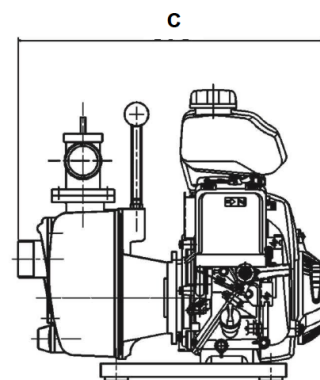

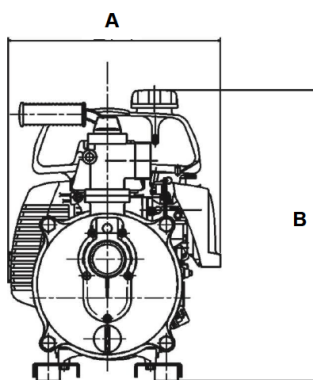

High-quality materials, fit, and finish ensure that your GX25 Mini 4-Stroke can be relied upon whenever you need it.
