58:1 RATIO GREASE KIT WITH REGULATOR

Our ULTRAFLO Grease Pump Kits is compact, practical grease dispensing kits designed for 20kg and 180kg grease drums. Available in versions with a direct-mount handle or a stable trolley, the kits include flexible hoses (4 m or 6 m depending on model) and high-quality components for efficient, clean, and reliable grease delivery.

FEATURES & BENEFITS

- Ready-to-use kits supplied with pump, cover, follower plate, hose, valve, and fittings.
- Durable and practical configuration suitable for workshops, industrial plants, and mobile servicing.
- Multiple drum compatibility: choose kit based on drum diameter and height, not just weight.
- Easy handling with ergonomic grip or trolley options for improved mobility.
- Space-efficient packaging with components delivered partially assembled.
- 2 Year Warranty
