

FLOMAX ENGINE RECEIVER WITH CAP

The Flomax standard series connectors consist of four color-coded mating connectors. They have all-metal construction with stainless steel wear components and anodized aircraft grade aluminum non-wear components. Each has easily recognizable labeling and is fully compatible and interchangeable with industry standards.

FEATURES & BENEFITS:

- Universally fits all crankcase receivers, both R-series and standard series
- Incorporates 10 locking balls with a 40% deeper engagement
- Resistant to clogging with a greater ease of cleaning
- Smooth actuation
- Larger diameter pullback lanyard
- Bright red anodized aircraft grade aluminum
- Suitable for use with AF-FX-ENBL-P1
