

# STANDARD 60 - 205L LEVER ACTION OIL PUMP

## PRODUCT OVERVIEW:

The ULTRAFLO Lever Action Oil Drum Pump is a lightweight yet durable oil pump ideal for 60L and 205L drums.

Although lightweight, these lever action drum pumps are highly durable because they are made out of aluminum. The manual pump is a more affordable option than an air-operated pump and is most efficient when the power supply is not available.

## FEATURES & BENEFITS:

- Lightweight aluminium construction
- Approximately 3 strokes per litre
- Telescopic suction pipe
- 2" drum thread
- Suitable for 60L or 205L drums
